About the Artists 64

*God's
Comforting
Presence*

Comforting Presence

*What a comfort it is to know
That God is always here,
Anywhere that we may go
God's presence is ever near.*

*Though at times we may not feel,
And are often unaware
Of this presence, it is very real,
Filled with loving care.*

*Through even the hardest day
And in the darkest night,
God is a bright and shining ray
Providing peace and light.*

*With open hearts accept God's grace
Along with comfort and peace,
And rest assured that in every place
God's love will never cease.*

Morning Assurance

*At the start of each new day,
as the sun begins to rise,
quietly I start to pray,
when morning light greets my eyes,
and as the dawn is breaking through,
God's loving light shines on me too.*

*The evidence of God is clear
as sunlight brightens up the sky,
I feel God's presence very near,
and give a small, contented sigh,
knowing whatever the day might bring,
God is with me through everything.*
